

Matthew P. Jones, Ph.D.

Chief Executive Officer

Greetings Investors!

I would like to express my gratitude to the team at **Amazon Web Services (AWS)** with whom I have been building a strong business relationship. Recently, AWS finished its review of Quants Compete and as such, **has generously awarded us seed funds** that will go toward future development. In addition to these funds, AWS is providing Quants Compete with additional resources, which will help us get to the next level. Obviously, this news puts even more wind in our sails!

I would also like to thank you personally for investing in Quants Compete. Without your participation, our relationship with AWS may not have materialized in the way that it has. **Thank you for your involvement.** I'll be bringing you more news soon!

Sincerely,

-Matt
