### **AIEDC Names Dr. Jacques Ludik Ph.D. to their Advisory Board**

*“There is tremendous synergy in the respective missions and activities of AIEDC, Sapiens Network and Democratizing A.I. --- as these organizations and movements are all working towards shaping a better future for all, in the Smart Technology Era. The latter is also articulated in my Book - Democratizing Artificial Intelligence to Benefit Everyone, which also introduces an “MTP for Humanity” and its associated goals to help shape a “Beneficial Human-Centric Future”, along with Sapiens Network as a Decentralized Human-Centric User-Controlled A.I. - Driven super platform to empower individuals and monetizes their data and services, that can be extended to companies, communities, cities, city-states, and beyond”. Dr. Jacques Ludik Ph.D.*

## **Dr. Jacques Ludik Brief Biography**

**Dr. Jacques Ludik**, is a smart Technology Entrepreneur, A.I. Expert, Founder of Multiple A.I. Companies, Author, of an A.I. Ecosystem Builder, and Award-Winning A.I. Leader with a Ph.D. in Artificial Intelligence (Computer Science) and 25+ years' experience in A.I. and Data Science and its applications. He is currently the Founder and CEO of **Cortex Group** and **Cortex Logic** that is focused on providing scalable ultra-personalized A.I.-enabled wellness solutions, where **Vive Teens** is a spin-out company focused on providing an A.I. -driven personal mental wellness companion for teenagers and **Journey Wellness** is an A.I. -enable ultra-personalized health wellness platform solution; and the Founder and President of the **Machine Intelligence Institute of Africa** (MIIA) that focuses on transforming Africa through A.I. --- MIIA aims to transform and help build an A.I. -powered Africa through a strong, innovative and collaborative Machine Intelligence, A.I. and Data Science community, consisting of individuals and key players in the African Artificial Intelligence Ecosystem. He has also invested in **The Student Hub** that provides online courses from South Africa's leading TVET colleges, through private resources and the latest learning technology. Dr. Ludik is involved in building A.I.-based Data rich platforms that leverage A.I. technologies to unlock business, customer, and societal value. His **Massive Transformative Purpose (MTP)**, is to help shape a better future in the Smart Technology Era, and specifically to help Business and Society thrive to transform Africa. He is also passionate to help Africa through smart technologies such as --- A.I. and Blockchain, as well as building A.I. Communities and Exponential Organizations.

One of his previous companies, **CSense Systems**, was Africa's first A.I. Company that was sold to a multinational company, specifically **General Electric (GE)** in 2011.

## **About AIEDC**
