AIEDC CEO ATTENDS "2022 EQUITY CROWDFUNDING WEEK"

The Conference was Hosted at the TubeScience Studios in Los Angeles, which was an **Immersive Investment Conference with several Investors**, as well as Companies.

Over the past few years, Digital Platforms have emerged as a viable means of disrupting industries, and with the way inflation is trending, **knowing how to invest is key to playing the game – and playing it smart.**

Mr. Johnson, spoke with the Co-Founder of the Equity Crowdfunding Event, --- **Mr. Lorel Scott** --- as well as, **Mr. Jason Frishman**, CEO for Netcapital and **Mr. Eric A. Cox II**, Head of Growth for Netcapital.

The discussions covered several topics --- including --- the **Trend for the next 3 Years"** which is focused on **the Growth of Artificial Intelligence (A.I.) and Digitization in the B2B Sector"**, for the Small and Midsized Business Communities Worldwide.

Furthermore, there were additional discussions covering Collaborations / Partnerships with Local and Global Stakeholders about Democratizing the Event throughout the rest of the U.S. and the World.

According to research by Valuates Reports, the Global Crowdfunding Market was valued at \$12.27 billion in 2019 and is **expected to reach \$25.8 billion by 2026.**

Equity crowdfunding is the medium that allows anyone to become a shareholder of promising startups. It involves exchanging relatively small amounts of cash allowing investors to own a proportionate slice of equity in a business.
