

New Navigation

We've updated the top navigation bar!

Now click the arrows to switch through...

- I Watch
- Friends Watch
- Recommendations
- Watch List

MUSTWATCH

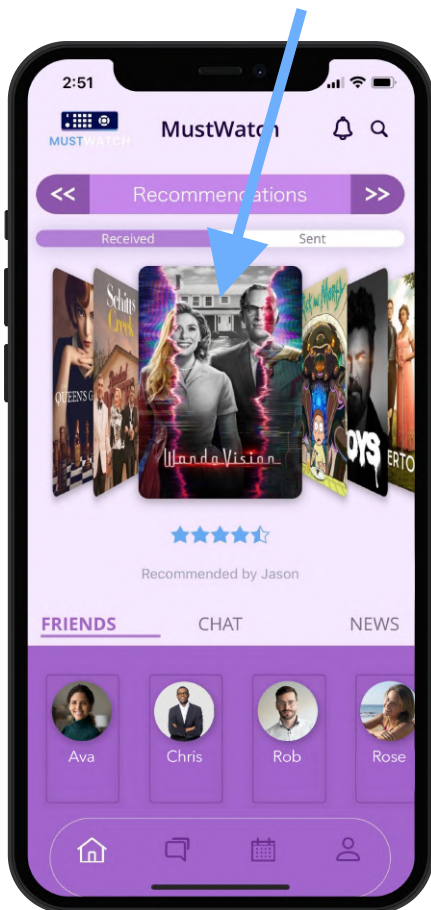

MUSTWATCH

Watch List

We've also added a new feature called Watch List. Now you can save shows and movies for when you're ready to watch them later!

Click on the show or movie to see the info page, then select: "Add to Watch List"

MUSTWATCH

Watch List

Find your Watch List using the navigation bar.

MustWatch now makes tracking all the shows and movies you want to watch easier than ever!
